

CANDIDATE LIST:

The screenshot displays the Swift Admin Panel interface. The left sidebar contains navigation links: 'Permissions List', 'User' (with a dropdown arrow), 'Create User', 'User List', 'SuperAdmin' (with a dropdown arrow), 'Event Register', 'Candidate List', 'Handle Event', 'Sign In', and 'Sign Up'. The main content area is titled 'Your CandidateList' and shows a dropdown menu with 'Web Development' selected. Below this, it states 'Event Name is Web Development' with a 'Delete All' button and a 'Download PDF' button. A table lists the candidate data:

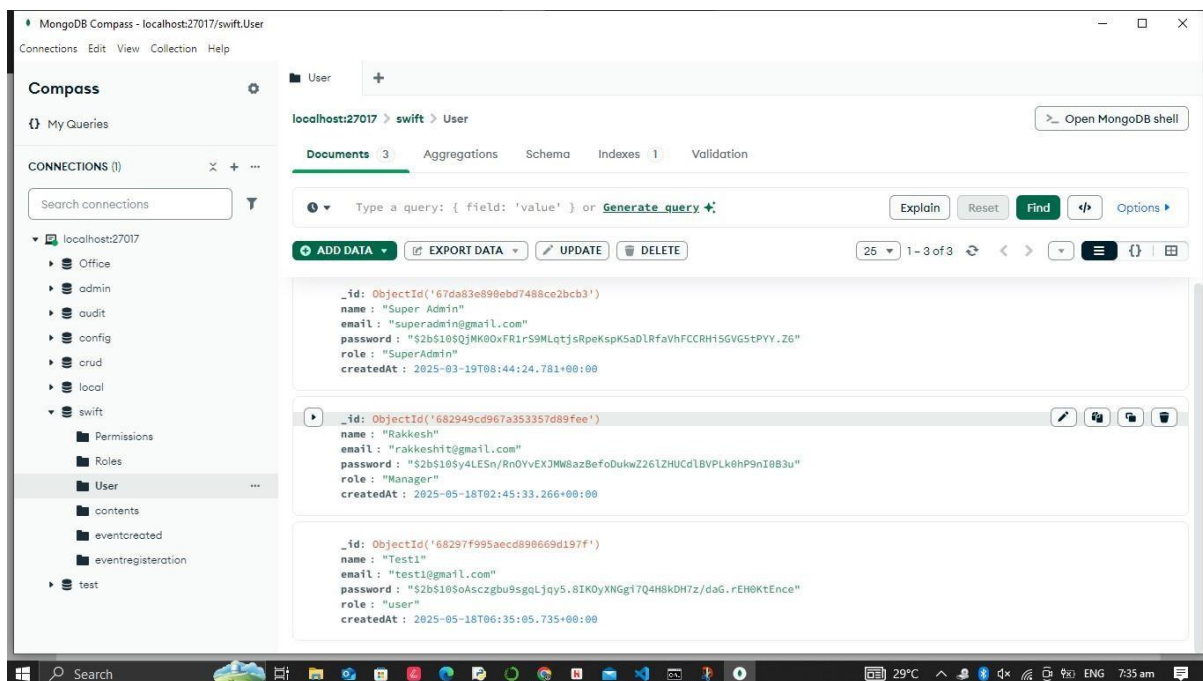

ID	CANDIDATENAME	EMAIL	ALETEREMAIL	EVENTNAME	ROUNDNAME	DATE	CLASS	SEME
1	Rakkesh	test1@gmail.com	rakkesh@gmail	Web Development	First Round	2025-06-03	II	II

The bottom of the screen shows a Windows taskbar with various application icons and a system tray indicating the time as 7:34 am on 7/3/2025.

EVENT REGISTER:

The screenshot displays a web browser window with the URL `localhost:3000/dashboard/eventregister`. The browser's address bar shows the URL, and the page title is "Swift Admin Pannel". The left sidebar contains a navigation menu with the following items: Dashboard, Events (expanded), Current Events, Events Registration, My Events, Results, and Sign Up. The main content area is titled "Event Registration Form" and includes the subtitle "Register the Multiple Events with Your Intrest". The form is divided into two columns. The left column is labeled "Student Details" and contains the instruction "Please fill out all the fields." The right column contains the following fields: Full Name (text input with value "Rajesh"), Email Address (text input with value "testl@gmail.com"), Alter Email Address (text input with value "Rajesh@gmail"), Select Event (dropdown menu with value "Aptitude Reasoning"), Select Round (text input with value "First Round"), Date (text input with value "2025-06-1"), Class (text input with value "II"), Year (text input with value "II"), and Semester (text input with value "III"). A blue "Submit" button is located at the bottom right of the form. The browser's taskbar at the bottom shows the system clock as 7:27 am and the temperature as 29°C Cloudy.

USER CREATE:

The screenshot displays the 'Swift Admin Panel' interface in a web browser. The browser's address bar shows the URL 'localhost:3000/admin/createcontent/createuser'. The page features a dark-themed sidebar on the left with a menu containing 'Events Handlers', 'Roles' (with sub-items 'Create Role' and 'Roles List'), 'Permission' (with sub-items 'Create Permissions' and 'Permissions List'), 'User' (with sub-items 'Create User' and 'User List'), and 'SuperAdmin'. The main content area is titled 'Swift Admin Pannel' and includes a 'Super Admin' dropdown in the top right. The 'Create User' form is centered and contains the following fields: 'User Name' (text input with 'Rakkesh'), 'User Email' (text input with 'example@gmail.com'), 'User Password' (password input with masked characters), and 'Select Role' (dropdown menu with 'Admin' selected). A blue 'Create Role' button is positioned below the role selection. The Windows taskbar at the bottom shows the system time as 7:33 am and the temperature as 29°C.

The screenshot shows a web browser window with the address bar displaying `localhost:3000/client/auth/register`. The website has a purple header with the 'Swift' logo on the left and navigation links 'Home', 'About', 'Events Page', 'Results', and 'Admin' in the center. On the right side of the header are 'Register' and 'Login' buttons. The main content area has a dark blue background with a central dark grey registration form. The form is titled 'Create an account' with a star icon. It contains three input fields: 'Your Name' with the value 'rakkeshkumar', 'Email' with the value 'example@gmail.com', and 'password' with masked characters. Below the inputs is a 'Create Account' button. At the bottom of the form, it says 'Already have an account? [Login here](#)'. The browser's taskbar at the bottom shows the Windows logo, a search bar, and various application icons. The system tray on the right indicates a temperature of 29°C, cloudy weather, and the time 5:24 am.
